 - Please fill in a diary sheet throughout the week beginning **Monday** _____, and
 - a second diary sheet during week beginning **Monday** _____.

(Guidance is given on the first sheet to help you fill this in. Please ensure your SOLE student ID number is on each diary sheet.)
- Your pack contains 3 diary sheets (you may not need this many!)
- You will receive an email from the research team at Bristol to remind you when you need to complete the diaries.

Handing the diaries back:

- Your diaries must be handed in to your tutor at the end of the week.
- If you complete and return BOTH diaries **and** questionnaires, you will be entered for the prize draw and could win a £25 **music token**. There is a £25 **music token** available for every group of students participating in this project.
