

Sole (Students' Online learning Experiences) Project - Student Questionnaire No 2

In this questionnaire, please tell us how you found using XXXX on this module.

Section 1 – Motivation: What motivated you to work on this module?

1. Please mark an X on the mark of the line below to indicate how motivated you are towards this module.

1. Please tell us whether any of the following things have affected your motivation on the module. For each 'factor' (A-L) in the grid below, please tick a column to say whether it made you more motivated, the same, or less motivated.

'Factor'	more motivated	No difference	less motivated
A. How you feel about studying			
B. Other students			
C. Tutor			
D. College rules / regulations			
E. Location (e.g. noisy student labs, working at home)			
F. Help and support from tutor or someone else			
G. Help and support from XXXX or computer			
H. Working online			
I. Communicating online (e.g. e-mail, discussion board, chat room)			
J. Access to a computer (e.g. availability of computers, logging on)			
K. Technological issues (e.g. computer breaking down, fixing a fault)			
L. Other – please add.			

Section 2 – Confidence: How confident are you about doing the following things?

3. Please read each sentence (A-F) in the grid below, and put a tick in the column to say how much you agree with it.

	Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
A. I am confident using Internet.					
B. I am confident working and learning online.					
C. I am confident finding my way around in XXXX.					
D. I am confident obtaining information using XXXX.					
E. I am confident taking part in online discussions.					
F. I am confident about [module subject].					

Section 3 – Using XXXX

4. Have you had any problems working with XXXX? Yes No
 If yes, what were they? _____

5. What kind of help was there for you in working with XXXX?

6. Which aspect of XXXX helped you learn most?

7. Which aspect of XXXX made it difficult to learn?

8. Please add anything else you would like to say about this subject:

Thank you very much for your help.

SOLE Research Team.
